**Subject:** RE: Case Schedule and Discovery

Hi Jeanifer,

Defendants have now all had an opportunity to discuss with our respective clients Plaintiffs' request for a 4-month extension on class certification briefing. Defendants oppose a 4-month delay in class certification briefing at this time. We would, however, be willing to agree to Plaintiffs' request under the following two conditions: (1) Plaintiffs agree not to seek a further extension in class certification briefing beyond these 4 additional months; and (2) Plaintiffs agree not to serve any further RFPs on Defendants. Please let us know if Plaintiffs will agree to these conditions.

Thank you,  
 Cali

**Subject:** RE: Case Schedule and Discovery

Hi Ben,

I hope you had a good weekend. Can you please give us a little more detail on what you are hoping to discuss on this call? We are of course aware the substantial completion deadline for both Defendants' productions in response to Plaintiffs' Supplemental First RFPs and Second RFPs, and Plaintiffs' productions in response to Defendants' RFPs, is coming up on April 1. And there has been extensive and productive email/letter correspondence between the parties over the past couple of weeks addressing the BoardVantage productions. Everyone seems to be in agreement with the productions that will be made in connection with BoardVantage, and we are all moving forward operating under the attached schedule. Obviously if Plaintiffs are anticipating you will have a problem meeting the substantial completion deadline or need to adjust one of the dates in the current scheduling order, we are happy to get on a call. But if the purpose is just more of a general check-in, I don't think we need a call at this point. Please know that we are moving full-speed-ahead toward the April 1 substantial completion date.

Thank you,

Cali
